CAPE MAY ATTRACTIONS,-The sacred Cape May Attractions.—The sacred concerts announced at Cape May next Sunday are attracting more than ordinary interest. These concerts will be given on the new iron pier, by the famous Weccacoe Band of Philadelphia, assisted by distinguished vocal solvists. The new iron pier, recently erected at great cost, is one of the many new attractions at this resort. It is, perhaps, the largest on the Atlantic coast, extending over 1,000 feet into the ocean. At ing over 1,000 feet into the ocean. At the extreme end is the pavilion, con-structed of iron and glass, having seat-ing capacity of 500. How Merchants Are Robbed!

Prograstination is a thief that robs many merchants of profits and custom. For instance, those merchants who have delayed or been unable to "close out" Summer Stock until now are robbed of custom and profits, while those merchants who are not overwhelmed with old stock can now visit the wholesale markets and buy at half the prices demanded a few months since. The Palais Royal has closed out all undesirable stock, and its buyers are obtaining new stock, and offer goods at lower prices than the procrastinating merchants who are still advertising "closing-out" sales of old and surplus stock.

Umbrellas are being advertised by our competitors for \$2.55, and are old stock. We ofter new
stock, and therefore more reliable, at \$1.98 each,
We have a window filled with samples of these
wonderful \$1.98 Umbrellas.
Look at them before you come in the store,

Underwear.

We received on Wednesday, July 22, 25 dozen Ladies' Lawn Dressing Sacques, very bandsomely tacked and embroidered, and shall offer them for \$1.15 and \$1.35.

Had we bought these goods three months ago they would have cost us at least \$1.50 each, and we should be offering them to-day as surplus or solled stock for about \$1.48.

We bought this week, and offer them for \$1.15 and \$1.35, which is less than the price asked by a recreatinating merchants for old stock.

We also received on Wednesday 50 dozen Lonsdale Cambric Corset Covers, beautifully embroidered, aquare necks, 49c each, and we secured another bargain, viz:

70 dozen Night Gowns, tucked, cambric ruffle, 59c each.

They are worth coming through the heat to obtain them.

Hosiery.

The following lots were received ten days ago, and have been already advertised, but they are such decided bargains we again quote them:

We had 75 dozen, but now only have 32 dozen, Warranted Oil-bolded English Hose, in black and colors, white toes and heels, 25c a pair.

Our 50 dozen pair of Liale Hose are reduced down to 15 dozen. It is because they are only 48c a pair, are silk finished, have white split feet, and come in blacks and all culors.

Ten days ago we opened 50 dozen Fancy Striped Hose, in new summer colors and material. They sold for 39c, and that is the price to-day, and please remember we only have 9 dozen pair left.

English Balbriggan Hose, with fine stripes and rull regular, improved shape, it a a pair. That is why we now have only 3 dozen pair left, and ten days ago we had 50 dozen.

You must see that we are offering new goods at lower prices than asked elsewhere for old goods, or we should not do such a large business in Hosiery, especially during such hot weather.

the decision of our patrons.

Are not very seasonable, and we should not have made new purchases had we not secured a won-derful bargain. We are showing Felt Tidles in all colors, prettily embroidered in silk, for 12½c each. You can imagine they are chesp, for we had 50 dozen four days ago, and now we only have 27 dozen. We can also say that we have sold the goods to our best customers, which ought to convince you that the goods are not inferior or "trashy." Come and see them.

Neckwear.

We advertised the beginning of this week 100 dozen Mull Fichus, heavily embroidered, for 48c each. We again advertise them, but must alter the quantity to 73 dozen Fichus.
We know those ladies who have already bought them will recommend them to their friends, so we shall soon "close out" what we have left, Moral—Call soon.
